The following points may be noted by all concerned:

1. Academic scrutiny is to be done for all completed applications received by the Higher Educational Institution failing which download of the consolidated sheet for merit list preparation and merit list publication will not be allowed in the portal. The affiliated Colleges are to strictly follow the affiliating University's prescribed guidelines regarding inclusion/consideration of the subjects for calculation of the merit score.
2. No separate College-wise policy for merit list preparation should be entertained or practised by the Colleges in any form whatsoever, which is exclusionary/contradictory to affiliating University's guidelines.
3. In the case of in-campus programmes of Universities and Autonomous Colleges, the merit-list policy, as notified/published in the Information Bulletin for the UG admissions 2024, is to be followed.
4. The procedures for academic scrutiny have been repeatedly explained through online sessions and step by step manuals and videos have already been sent to all the HEIs. The respective in-charge of admissions of the Universities and Principals of Colleges should share the manuals and disseminate the necessary information related to academic scrutiny with the scrutinizers. Repetitive calls for clarification on the same matter may be avoided unless it is a matter beyond the steps defined in the manuals
5. The Institutions are also to refrain from collection of any other separate admission form or fees from applicants, other than what is stipulated in the Assam State Higher Education Admission Portal.
6. The unique combination of the registration number and form number generated from the admission portal will be used for all future reference. The DHE Unique ID which was used earlier will not be required henceforth.

This has approval of the competent authority.
